Micellar Cleansing Water

Hydrate & Restore

This powerful gentle micellar water works like a magnet – the micelles capture and lift away dirt, impurities and make-up, leaving skin perfectly clean, and refreshed. The formulation is enriched with our Niacinamide PC and moisture-magnet PENTAVITIN® which give ultra-hydration, and improved skin protection against dehydration. It contains no artificial perfumes, color or dye and no harsh chemicals that can upset your skin, making it perfect even for sensitive skin. Gently wipe the Micellar Cleansing Water over your face with a soaked cotton pad – no need to rinse or rub in.
