

WOMEN USE MAKE-UP TO LOOK AT THEIR BEST* AND BOOST THEIR CONFIDENCE BUT...

- If they care as well for the beauty of their lips and want to protect them from the sun they have restricted offer
- Current lipsticks are often limited to beach and mountain use
- And the lipsticks are more whitening than colored!

DSM SOLUTION

SWIPE AND SEE! SPF 30

COLOR ADJUSTING LIPSTICK WITH UV PROTECTION

SWIPE AND SEE! SPF 30

	Ingredients	INCI Name	% w / w
