

MASESTER®

MEDIUM CHAIN TRIGLYCERIDES

Versatile oil with health benefits

MASESTER® Medium Chain Triglycerides, MCTs are derived by esterifying caprylic (C:8) and capric (C:10) fatty acids fractions from palm kernel or coconut oil with glycerol using a unique non catalytic process. These are further refined to remove residual fatty acids and then deoderized to make them completely odourless and tasteless.

MASESTER® MCTs are low viscosity oils having excellent oxidative stability and bland organoleptic properties.

The unique functionality of MASESTER® MCTs make them versatile ingredients for flavour, food and beverage and pharmaceutical industry as solubilizer, clouding agent, excipient and wetting agent.

MASESTER® MCTs inherently have smaller molecular structure, the oil by passes the normal digestive process and metabolizes directly in the small intestines where it is rapidly converted into energy source.

MASESTER® MCTs are marketed and promoted by Inter-Continental Oils and Fats (ICOF), a member of Musim Mas Group

MASESTER® MCTs in Pharmaceutical Processing

Low viscosity lubricant oil with excellent oxidative stability for pharmaceutical capsules production.

MASESTER® MCTs in Food

- Energy source for nutrition bars and gels.
- Source of reduced calories non trans fat for baked goods.
- Oil spray for coating cereals, crackers and chips.
- Softening agent for liquid centre and soft chew confectionery.
- Polishing agent for hard candy.

MASESTER® MCTs in Beverage

Low viscosity clouding agent with excellent solubility for beverages.

MASESTER® MCTs in Flavors and Fragrances

Solubilizer and carrier for oil dispersible material in oil soluble liquid flavours and fragrances.

MASESTER® MCTs provide the following health benefits:
 Enhances fat burning, regulating body weight as it is not stored as body fat.
 Influences the slowing of progression of Alzheimer’s and Parkinson’s diseases⁽¹⁾.
 Improves mental capacity as a fast acting brain fuel⁽²⁾.

MASESTER® MCTs:

PALM BASED	COCONUT BASED
MASESTER® E6000	MASESTER® E6300
MASESTER® 7000	MASESTER® 9300
MASESTER® 9200	MASESTER® 9301
MASESTER® 9201	MASESTER® 9302
MASESTER® 9202
