

Swift[®]tak 5580 UV

Type of Product Water-based dispersion adhesive.

- Product Benefits**
- phthalates and benzoates free
 - high initial tack
 - very good processing
 - suitable for high speed application
 - contains a green fluorescent UV detection agent

Typical Applications Folding boxes adhesive for nozzle application.

Suitable Substrates The glue consumption is related to the character of the different materials and the bonding requirements. The bonding must be tested on original materials before.

Typical Properties

Property	Value
Colour	yellowish
Film	elastic
pH	7
Solids content	approx. 51%
Density at 20°C	approx. 1,05 g/m ³
Viscosity (Brookfield RVT2, 20rpm, at 20°C)	approx. 1 050 mPa.s
Shelf life	6 months

Application Instructions	Apply with nozzle. Application temperature: between +15°C and +25°C. The glue consumption is related to the character of the different materials and the bonding requirements. The bonding must be tested on original materials before.
Cleaning Instructions	Adhesive residues can be washed off with water.
Typical Packaging	Please contact your local Sales Office for available packaging options.
Storage Conditions	Product storable in closed container between +5°C and +35°C and damaged by cold.
Disposal Advice	Please refer to the SDS for disposal instructions.
Safety Advice	Please refer to the MSDS for safety advice.

IMPORTANT: Information, specifications, procedures and recommendations provided ("information") are based on our experience and we believe this to be accurate. No representation, guarantee or warranty is made as to the accuracy or completeness of the information or that use of the product will avoid losses or damages or give desired results. It is user's sole responsibility to test and determine the suitability of any product for the intended use. Tests should be repeated if materials or conditions change in any way. The user is advised to review the specific context of the intended use to determine whether the user's intended use violates any law or infringes upon any patent(s). No employee, distributor or agent has any right to change these facts and offer a guarantee of performance.

NOTE TO USER: *by ordering/receiving product you accept the H.B. Fuller General Terms and Conditions of Sale applicable in the region. Please request a copy if you have not received these. These Terms and Conditions contain disclaimers of implied warranties (including but not limited to disclaiming warranties of fitness for a particular purpose) and limits of liability. All other terms are rejected. In any event, (1) the total aggregate liability of H.B. Fuller for any claim or series of related claims however arising, in contract, tort (including negligence), breach of statutory duty, misrepresentation, strict liability or otherwise, is limited to replacement of affected products or refund of the purchase price for affected products. (2) H.B. Fuller shall not be liable for loss of profit, loss of margin, loss of contract, loss of business, loss of goodwill or any indirect or consequential losses arising out of or in connection with product supply. (3) Nothing in any term shall operate to exclude or limit H.B. Fuller's liability for fraud, gross negligence or for death or personal injury caused by negligence, or for breach of any mandatory implied terms unless permitted by law.*
