

# H.B. Fuller

INTRODUCING OUR NEW  
POSITIONING ADHESIVE

## Full-Care<sup>®</sup> 6217

In response to the ever-changing market needs from your end customers, our hygiene adhesives experts have created the ideal positioning adhesive that offers high performance and can lower your overall costs.

~ 20%  
SAVINGS

Save up to 20% due to the need for lower coat weights.

ZERO  
TRANSFER

Eliminate the risk of transfer across multiple garment textiles.

HIGHER  
PEELS

Experience excellent peel performance at the lowest industry coat weights.
