

H.B. Fuller

Connecting what matters.™

PACKAGING

Gain a competitive advantage with value-added packaging solutions.

From damage and loss prevention to efficient closing and easy opening, H.B. Fuller has a solution that fits your packaging needs.

Damage & Loss Prevention

For over 30 years, H.B. Fuller's Sesame® tape technology has been used to strengthen packaging and help protect the products inside. Sesame tape reinforces critical stress areas of boxes to reduce bulge and burst, prevent hand-hole tear, increase stacking performance, prevent product damage, and extend packaging life.

- Bulk Bin Reinforcement
- Product Loss Prevention

- Bulge Reduction and Burst Prevention
- Stacking Performance Improvement

- Score Line Reinforcement
- Box Life Extension

- Access Hole Reinforcement
- Catastrophic Failure Prevention

- Handle Reinforcement
- Easy Carry-out Application

Retail Shelf & Display Ready

H.B. Fuller's Open-Sesame® system provides a high-quality, easy opening feature in single and multi-wall corrugated packaging. Brand owners can achieve a cost-effective, clean-tear opening for retail display trays, and retailers can promote safety and efficiency by eliminating knives in their stores.

SHIPPER TO DISPLAY-READY ALL-IN-ONE BOX

- Cost effective using less material
- Clean edge opening for great shelf appearance

CUTS THROUGH THICK, DOUBLE WALL PACKAGING

- Strong fiber based tape
- Easy opening for heavy duty box

Efficient Closing & Easy Opening

H.B. Fuller's Close-Sesame™ system creates efficiency in fulfillment operations by providing an easy peel and seal, double-sided tape closing for shipping boxes. Adding Open-Sesame® tape enhances the customer experience by making shipping boxes easier and safer to open.

- Enhances customer experience
- Supports returnable models and packaging re-use goals

Empowering your packaging as a solutions partner

H.B. Fuller's packaging team provides full support for your packaging design development.

- 1 Understand your Packaging Goals
