

HYGIENE

Full-Care® 8516

Full-Care® 8516 is for disposable hygiene article manufacturers who want to assemble an article with stretchable features.

PRODUCT VALUE

Full-Care® 8516 provides low odor, light color, low creep values, an immediate and reliable fixation of the elastic strand even in curved elastic applications. This allows disposable hygiene article manufacturers to maintain a high-performance during application and consumer use.

THE H.B. FULLER ADVANTAGE

At H.B. Fuller, we recognize the power in having a partner with problem-solving power and global research and development capabilities. We are that partner. We deliver the solutions that enable the product designs your customers want, as well as the end-to-end support your business needs.

If you're in the market for an adhesive solution for your hygiene application, H.B. Fuller has you covered.

KEY BENEFITS

Low odor and light color

Low creep values

Immediate fixation
