

HYGIENE

Full-Care® 9105

Full-Care® 9105 Full-Hook™ Adhesive Solution is for disposable hygiene manufacturers who want to gain total control of the diaper tape assembly and attachment.

PRODUCT VALUE

Full-Care® 9105 Full-Hook™ Adhesive Solution provides re-crystallizing technology for a strong mechanical bond around fibers, higher shear strength to hook material and enables coat weight reduction. This allows disposable hygiene manufacturers to access to a Full-Hook™ adhesive solution for on-line application to assemble the fastening system of diapers, while gaining flexibility in tape material selection and enabling cost savings.

THE H.B. FULLER ADVANTAGE

At H.B. Fuller, we recognize the power in having a partner with problem-solving power and global research and development capabilities. We are that partner. We deliver the solutions that enable the product designs your customers want, as well as the end-to-end support your business needs.

If you're in the market for an adhesive solution for your hygiene application, H.B. Fuller has you covered.

KEY BENEFITS

Strong mechanical bond

High shear strength

Possibly coat weight reduction
