# Full-Care® 8225

Full-Care® 8225 is for Disposable Hygiene Manufacturers who want to produce high-quality open diapers and pants without consumer complaints.

## PRODUCT VALUE

Full-Care® 8225 provides good creep resistance, low odor and color, and lower viscosity. This allows Disposable Hygiene Manufacturers to run lower application temperatures which reduces line breakage ultimately reducing downtime at the customer.

## THE H.B. FULLER ADVANTAGE

At H.B. Fuller, we recognize the power in having a partner with problem-solving power and global research and development capabilities. We are that partner. We deliver the solutions that enable the product designs your customers want, as well as the end-to-end support your business needs.

If you're in the market for an adhesive solution for your hygiene application, H.B. Fuller has you covered.

## KEY BENEFITS

Low odor and color

Optimized viscosity profile

Low application temperature
