9. Physical and Chemical Properties

| | |
|---------------|-----------------------------|
| Aspect | : Liquid at 20C |
| Color | : Colorless to Light Yellow |
| Smell | : Characteristic |
| Taste | : Not concerned |
| Solubility | : Dispersible in Oil |
| pH | : Not applicable |
| Boiling Point | : Not applicable |
| Flash point | : 371C |

10. Stability & Reactivity

| | |
|----------------------------------|---------------------------|
| Stability | : Stable |
| Conditions to avoid | : None |
| Incompatible materials | : Highly oxidizing agents |
| Dangerous decomposition products | : None |

11. Toxicological Information

| | |
|----------------------|--------|
| Cutaneous irritation | : None |
|----------------------|--------|

12. Ecological Information

| | |
|---------------------------|--------|
| Environmental information | : None |
|---------------------------|--------|

13. Elimination of the Product

| | |
|------------------------|--|
| Product | : Wash down drain with plenty of water |
| Fillings | : Depending on their nature |
| Contaminated packaging | : Empty remaining contents Dispose of as unused product |

14. Transport Information

Product is in accordance with the regulations of the Transportation of Dangerous Goods Act.

15. Regulations

| | |
|----------------|------------------|
| European label | : Not applicable |
| R Phrase | : Not applicable |
| S Phrase | : Not applicable |

16. Further Information

The information provided on this Safety Data Sheet is correct to the best of our knowledge, information and belief at the date of its publication. The information given is designed only as guidance for safe handling, use, processing, storage, transportation, disposal and release and is not to be considered a warranty or quality specification. The information relates only to the specific material designated and may not be valid for such material used in combination with any other materials or in any process, unless specified in the text.
